

Health & Safety Policy

The MorsaPack Ltd board considers the promotion of Health and Safety measures as a key objective for Management and Employees at all levels.

It is the boards policy to actively promote safe working practices to prevent personal injury and damage to property and to protect both staff and the public from work hazards of any kind.

The board has a responsibility to:

- Provide and maintain safe and healthy working conditions taking account of any statutory requirements.
- Provide equipment and systems of work that are both appropriate and safe to use.
- Provide suitable and sufficient supervision, information, training, and instruction to enable employees to perform their work safely and efficiently.
- Make available all necessary safety devices and protective equipment and to supervise their use.
- Provide arrangements for the use, handling, storage and transportation of articles and substances.
- Maintain a constant and continuing interest in health and safety matters applicable to the company's activities by consulting and involving employees wherever possible.

All employees have a duty to co-operate in the operation of this policy by:

- Working efficiently and in a manner that ensures individual safety and the safety of others.
- Using all safety devices installed on equipment and any personal protective equipment provided, in the prescribed manner, and by meeting statutory obligations.
- Reporting incidents that have led or may lead to injury to people or damage to property, plant or equipment.
- Adhering to the company procedures for securing a safe workplace.
- Assisting in the investigation of accidents with the objective of introducing new measures to prevent a recurrence.

This statement will be displayed in suitable areas including on our website. The policy will be regularly reviewed by the board and amended or added to as appropriate.
